Dear Students,

We are sure that all of you must have made plans for your holidays. You must have planned to visit your grandparents, relatives, watch television, enjoy a cool dip in the pool and join some activity or hobby class in the neighbourhood.

We wish you enjoy every minute. It will be great if you explore new things, play indoor and outdoor games, read story books and magazines, go for leisurely walks in the park, learn household chores and spend quality time with your parents.

The school has planned a variety of fun-filled activities which you can do during the noon time. Complete the given tasks and submit them to your class teacher/subject teacher on or before **Monday, 18th June 2018.**

Wishing you a fun filled summer vacation. See you back in action on **Monday, 11th June 2018.**
