

## **FOREWORD**

***'Action lead to result but planning leads to successes'***

Delhi Public School believes that success is nothing more than a few simple disciplines practices everyday.

The syllabus booklet is an insight into the scholastic and co-scholastic curriculum designed for a successful start within a prescribed time frame.

The booklet will help students to plan and organize their school work which would lead to high achievement and individual excellence.

The syllabus booklet takes into account the broad academic planner and the dates printed within However, these schedules are likely to change to cater to any contingency requirements.

We welcome you to join hands with the school in laying the foundation of excellence for your child's education and thank you all for the faith that you have reposed in the institution.
