EDITORIAL

Another year almost comes to an end and as I look back, gratitude is the foremost emotion in my heart. Gratitude that we made it through difficult times and are finally (fingers crossed) into the thick of all that used to be.

A school, if looked at closely, resembles an ecosystem with all its activities- academic and co-curricular, every segment with its specific goals, issues, complexities and what-have-you-not. Yet the strong thread that binds all together is the common narrative of striving for excellence.

Well, this volume of the Gallop is a proud narration of all that has been happening in this beautiful ecosystem. And while we celebrate our success, we also understand that a lot remains to be done, because excellence is a journey, not a destination.

I thank all my team members without whom, bringing this together would be impossible. I am grateful and happy at the excited participation of the student editor, whose young and fresh ideas are always welcome.

Happy reading!

MESSAGE FROM THE PRINCIPAL

My dear Students,

I am delighted to share with you the achievements, joys, victories and success stories of DPS Kolar Road through this volume of the Gallop.

A school is only as good as its students. It makes me proud to see how you have performed brilliantly in all fields, not to forget the outstanding Board result that has set new standards of excellence. Students, remember that the experience you gain in school will serve as a firm foundation for the later years of your life. The direct and indirect qualities and values that you inculcate today will hold you in good stead tomorrow.

Life is not easy, nor a straight path. But I am certain that my students will conquer all obstacles to scale new heights. The purpose of education is to empower the youth so that they make a positive, meaningful contribution to society and enhance the general standard of human beings. In that regard, I am confident that every DIPSITE of DPS Kolar Road will make a mark and will bring glory to his family, school and nation.

My good wishes and blessings to all of you. Keep working hard and be the best at whatever you choose to do. May the Almighty give you wisdom to make the right choices and hold your hand in all that you do.

*You can triumph and come to skill,
You can be great if only you will,
You are well equipped for what fight you choose,
You have legs and arms and a brain to use,
And the man who has risen great deeds to do,
Began his life with no more than you!*

Message from the Vice Principal

Inspire Support lead

How do you reach out to students who think rules don't apply to them in an era of a know-all, and be-all?

It is a dilemma faced by most adults be they, teachers or parents. It is hard to accept when students are defiant, they walk past you with a sense of entitlement and you have to smile. As adults, your goal is to show students (and not tell) how to embrace important skills like Compassion, Accountability & Respect.

The repeated indignant behavior of a youngster is a voiceless cry seeking your help and intervention. This edition of Gallop features how we at DPS Kolar train students to cultivate respect and accountability by honing and sharpening their skills, enabling them to participate and not only win but also to accept defeat gracefully.

Disciplining students in today's era is a challenge that we at DPS Kolar meet with vigor and sensibility. The key word is support and treating the students with kindness even if you get irritated or get disrespected. SUPPORT the child in whatever he or she may be dealing with. Be receptive and listen to the child. INSPIRE them, and make them feel that you are a part of their team. And thus, you will LEAD them towards the desired goals....

Message from the Headmistress

The fundamental aim of education is to develop integrated personality - a sharp intellect endowed with fundamental discrimination, a kind and compassionate heart with love for all and competent hands that serve selflessly. Such a personality is the combination of Nobility and Ability. Education must liberate man from the shackles of pettiness, greed, hatred and narrow-mindedness.

The goal of education is developing character that manifests itself in the unity of thought, words and deeds. We, at DPS KOLAR prepare students to excel in various fields by facing challenges with confidence and a positive attitude. We believe in preparing students for life and not merely for a living.

Sargam Bahal

Headmistress

DPS Kolar Road Bhopal

The corridors of Delhi Public School Kolar sparkled with pride and honour on 23rd July 2022, as the bugle call marked the swearing-in ceremony of members of the newly appointed Student Council. Academics has its own importance but extracurricular activities help shape the overall personality of the child.

To hone the dancing skills of the students, an Inter-Section Group dance competition was organized. All hearts oozed out and eyes stayed awe struck when the tiny feet and hands moved elegantly with every beat of the song.

Celebrations are a part of DPS culture. In order to salute the never-ending spirit of our healthcare providers, Doctor's day was celebrated.

SPORTS!
The word says it all. An incredible combination of different field activities which not only is healthy but also increases a child's enthusiasm.

We as parents love the way that at every festival or day celebrations are conducted with such dedication in school. Our child get to learn the sociality and importance of these days and festivals. They are getting manners and etiquettes to learn !! The great thing is School also focuses on the hygiene part which our ward is applying in normal daily routine. They are learning to respect each other as well as elders.

School focuses on children to speak in English which will be beneficial for them in long term. We have a big thing to say that our child's confidence level is increasing day by day being a shy child.

Every other day they are doing some activities by which they are engaged in positive things at home also. Finally about academics we are happy that our child gets to learn their syllabus with such ease while playing and doing activities. All credit goes to teachers and the working of school . We are observing a lot of positive change in our child for which we are very thankful.

Keep it up and help these innocent souls to shine like a star in this world

Thank you !!

Delhi Public School Kolar Road collaborated with CIALFO via JSWS in 2022 to move further in the direction of Professional Career Counselling. Cialfo is a fast-growing, global ed-tech company and student-first career exploration and college application network.

An online session was conducted in collaboration with Cialfo on 29th June 2022 for students & parents of classes XI & XII. Mr. Swapnil Agrawal working at Amity University Madhya Pradesh as a Director-Admission & Marketing, was the resource person. The session gave an informative perspective about topics related to Overseas Education, the Career Landscape and Trends, the nuances of Psychometric Testing, the Centennial Mindset, the Education Boards and a lot more.

Students Workshops

A career counselling session was organized to provide proper guidance to the students of classes 9th to 12th by Cialfo on 21 July 2022. The first session was for classes XI & XII on SOP Writing & Entrance Test CUET and the second session was for classes IX & X based on Stream & Career Selection.

The sessions were conducted by Mr. Viren Razdan, Client Experience Manager and Ms Parul Shrivastava Student Education Advisor. The aim of the workshop was not only to guide students to provide suitable career choices but also help the students to become self aware about their strengths and weaknesses.

The session commenced with the Student Education Advisor, Ms Parul Shrivastava reiterating the importance of knowing one's potential and subject of interest before making a decision. She laid stress on the right combination of subjects by the students as per their aptitude which should be reflected in their academic performance.

NCC - CAMP

The Youth of a Nation are the trustees of posterity.

Combined Annual Training Camp or CATC is a ten-day camp organized by each Battalion twice a year. As a part of NCC training 20 cadets of DPS Kolar Road took part in the 10 day Camp (Combined Annual Training Camp) held at MANIT CAMPUS, BHOPAL. The camp included both Junior and Senior Wing cadets from different schools of the city and focused on personality development and giving a glimpse of military camp. The camp had a number of workshops, drills, quarter guard, solo singing, solo dance, group dance, tug of war, poster, skit and group singing competitions. Cadets were taught the basic first aid and traffic rules. A special training was held for Rifle Target shooting. The last day of the camp was marked by celebration and felicitations. The cadets of DPS Kolar Road excelled in all the spheres of NCC activities and made their presence felt.

Beyond The Classroom

- By Student Editor (English), Nysa Megi

This section aims to bring to light to the various extracurricular activities that happen daily in the school premises. While we seem to know our classmates whom we often interact with during the classes that we share together, we may not be familiar with their other areas of interests and skill set. It is a topic of fascination to see what every student invests their time and efforts towards, apart from academics.

“Every thought on the court matters”

Basketball is a team sport with two teams competing against each other with five members each. The objective of a team is to shoot the ball across the opponent's side of the court into the hoop while simultaneously preventing the opponent from shooting into the hoop on their side.

A quick look at the players of the Basketball team gave me the motivation to think further on the type of commitment that my classmates have made towards the sport. I asked my friend, Misha Baniya from 11-D, a player from the Girls Basketball Team to educate me more on the topic. The players in the team generally play basketball during their Physical Education period and stay back. The girls Basketball team recently competed in the Inter DPS National tournament in Visakhapatnam with the help of their constant team development. It requires a lot of practice daily to upgrade their skill set a level further. Mental tenacity is equally significant as physical tenacity to navigate through the exhaustion inside the court during a match as well as the regular practices conducted.

One thing that I found really interesting was that the team has no leader, they all consider themselves equally powerful units of the team. There is a mutual understanding & respect between the junior and the senior players during their interactions on the court. Every thought on the court matters, and their thoughts collectively build the team's play in a match. As the ball rides across the court from player to player, the person in the lead changes.

Don't underestimate the bench players either! The players on court can easily rely on the bench to come to their rescue and make use of their equally refined skills against the opponents. All of these factors combine to build a team that can face any challenge thrown in the match and stay united.

THE TALE OF DRIZZLE

Rain Showers all the way
But no one wonders what it says
Maybe it's just the tears of God from heaven
Or maybe it's just a way of nature to show its
beauty
Whatever it is, it will always be my favourite
The mysterious scent of petrichor
The marvellous breeze on the seashore
Come what may, but this rain will never
cause me bore
Yes, rain brings all her friends from long
Lasting hurricanes to small little storms
But still it all ends for the next rain to come
So now everyone knows what rain says to us
It says however the time is sorrowful but,
It will end on a happy note with the
Eagerness of what's coming next

AN ODE TO MY COLOURS

Blue hung down
My purple back
And pleasure presented its lack
Before I walked out
I walked to the
Nearest neon-red dispensary
Where, balanced on shelves, democracy
Stored in bottles claimed to cure my hurt
"Blue hangs down my back" I
complained
To the red-faced man
Who, in tender words began
"We don't sell colours here"

THE REAL YOU

Live your life on your own terms
Happiness, anger or your tantrums
Be you are,
You are beautiful even with the scar
Leave away the fright
of being disliked, unnoticed or alone
Greatest are always set apart
The moon, the sun, the cyclone
For beauty isn't the face
always competing to win,
life isn't a race
Don't be, the world moulds
Bucket full of colds
Flow free with your flaws
Let the real you be grabbed in your claws

DREAMS

Each night, I go to bed, with one thought in
mind,
"Would I be able to continue the journey of
thoughts that I start tonight?"
Or will it end just like the others?
Leaving me blind and alone, just like cavern
lovers.

They encompass my goals,
Some of them I remember, some of them I don't
Constructed within my mind,
Are merely unconscious reflection of internal
fantasies,
Giving clues to areas demanding attention,
Shaping my choices, building my capacities.
Even though dreams leave me in complete
hindsight,
These experiences tend to age just like fine
wine,
They've taught me how to think in life and in
experiences, how to find rhyme

माँ की सीख

यह कहानी दो बहनों के बारे में है। जिनका नाम मिनी और सुमी था। मिनी, सुमी की बड़ी बहन थी। वह बहुत गोरी व सुन्दर थी। उसके नैन-नक्श बेहद खूबसूरत थे, परन्तु सुमी को अपनी बड़ी बहन से कोई जलन न थी। एक दिन खूब झम-झम बारिश हुई और मिनी नाचने लगी। नाचते हुए वह अपनी खूबसूरती को निहार रही थी। पर अचानक उसका

ध्यान उसकी आवाज़ पर गया, जो बेहद बेसुरी और कठोर थी। इस बात का एहसास होते ही वह बेहद उदास हो गयी और उसकी आँखों में आँसू आ गए। तभी अचानक उसे एक मधुर आवाज़ सुनाई दी जो कि उसकी छोटी बहन सुमी की थी। सुमी की आवाज़ सुनकर मिनी को उसकी कमी का एक बार फिर एहसास हुआ। वह सोचने लगी कि भगवान् ने उसे सुंदरता तो दी पर बेसुरा क्यों बनाया। तभी उसकी माँ आई और उन्होंने मिनी से पूछा "तुम क्यों उदास हो?" मिनी ने अपनी माँ से अपनी कठोर आवाज़ की शिकायत की और उनसे पूछा, सुमी की आवाज़ इतनी मीठी है पर मेरी क्यों नहीं? इसलिए मैं दुखी हूँ। उसकी बात सुनकर उसकी माँ ने समझाया, "भगवान् के द्वारा सभी का हिस्सा निर्धारित है, हर मनुष्य अपने तरीके से ख़ास होता है। भगवान् ने उन्हें अलग-अलग बनाया है। कोई लम्बा है, तो कोई छोटा, कोई गोरा है, तो कोई काला। पर सभी में कोई न कोई हुनर होता है। जिस प्रकार भगवान् ने मोर को सुंदरता दी, शेर को ताकत दी, और कोयल को मीठी आवाज़ उसी प्रकार भगवान् ने तुम्हें सुंदरता और सुमी को मीठी आवाज़ दी। हमें भगवान् के दिए इन उपहारों का सम्मान करना चाहिए और जितना है उतने में ही खुश रहना चाहिए।" माँ की बातों को सुनकर मिनी समझ गयी कि दूसरों से तुलना नहीं करनी चाहिए बल्कि खुद के हुनर की सराहना करनी चाहिए और उसे और निखारना चाहिए। मिनी उस दिन समझ गयी कि हर व्यक्ति किसी न किसी तरह से ख़ास होता है।

कहानी से सीख- खुद को स्वीकार करना ही खुशी का पहला कदम है। जो कुछ भी आपके पास नहीं है, उसके लिए दुखी होने के बजाय, आपके पास जो है, उसे स्वीकार करें और प्रसन्न रहें।

धन्यवाद

जिन्दगी

जिंदगी जीयो तो जीयो मुस्कुराते हुए,
हर एक बुरे पल को नकारते हुए।

वो जीना भी जीना क्या जिसमें खुशी न हों
वो जीना भी जीना नहीं जिसमें गम न हों।

दुख: मिलेंगे रास्तों में हजारों,
पर खुशी को ढूँढना पड़ेगा मेरे यारों।

जिंदगी है एक पल की साँस,
जीना है तो करने पड़ेंगे हजारों प्रयास।

पिताजी

करते हैं रोज हमारे लिए काम
दिन हो या रात, सुबह हो या शाम।
ले चलते हमको, जहाँ बोलते हम
कभी भी न देखना चाहते
चेहरे पर हमारे गम।

हारी नहीं हिम्मत कभी भी
किए सपने पूरे सभी ही।
नहीं करते किसी चीज के लिए इनकार
क्योंकि करते हैं वह हमसे बहुत प्यार।

करते हैं खुश रखने का प्रयास
नहीं होने देते वह हमें उदास।
रहते हैं हर वक्त हमारे साथ
कभी नहीं छोड़ते हमारे हाथ।

धूप हो या छांव,
थकते नहीं कभी इनके पांव।
कभी नहीं करते हमसे नाराजी
ऐसे हैं हमारे पिताजी।

Krishna Janamashtami Celebration

Lord Krishna said -

A gift is pure when it is given from the heart and when we expect nothing in return

The school celebrated Krishna Janamashtami with great enthusiasm and fervor on 18th August 2022. The students paid their obeisance by singing 'Hori' and bhajan in praise of Lord Krishna and Radha Rani. Students performed a beautiful dance on Krishna Leela. The audience exploded with joy when the celebration attained its crescendo with "Dahi-Handi".

Bond Of Love – Raksha Bandhan Celebration

'The bond between a brother and sister remains ever strong.'

'Raksha Bandhan' is a special occasion to celebrate the virtuous bond of love between a brother and a sister. DPS Kolar celebrated Raksha Bandhan on 10.08.22 with love and happiness. The event commenced by invoking the blessings of Lord with a prayer followed by an enthralling skit that depicted the historical significance of the festival of love and protection. Dance and songs by the students brightened the whole atmosphere. Rakhi making activity was also organized for the students of the Classes I & II. Students made beautiful Rakhis using different articles.

YOGA DAY

*The event began with a brief introduction on
Yoga Day by students*

Warm up exercises, sitting and standing asanas were performed by the students. The importance of yoga was explained simultaneously. The celebration concluded with the speech of our Principal ma'am. She encouraged students to practice regular yoga to remain fit and improve concentration.

NATIONAL SPORTS DAY

The Day was celebrated by the students to commemorate the birth anniversary of Hockey legend Major Dhyan Chand. The Young Dipsites presented an amazing theme talk on 'Importance of Sports'. The tiny tots of Castle of Dreams participated in the athletic track and field events whereas students of classes IX to XII enjoyed interesting 'Tug-of-war'. A 'Mini Marathon' was also conducted for classes IV to X separately. The main objective of the event was to spread awareness about the importance of sports and physical fitness in the life of every individual.

The school Principal Ms. Vandana Dhupar advised the students to be healthy and strong. Students learned a lot about true sportsmanship and the importance of playing sports.

WORLD BOOK DAY

*"The more that you read, the more things you will know.
The more you learn, the more places you'll go."*

The school celebrated World Book Day for the students of class III to make the students understand that reading is the key to success. Students participated in various activities such as bookmark making and reading out their favourite books. They also brought soft toys and pillows which motivated them to read in their comfort zone.

π DAY

"It is rightly said that Mathematics is the cradle of all creations, without which the world cannot move an inch"

Department of Mathematics celebrated Pi Approximation Day on 22nd July 2022 by conducting "Festivity around Pi" for classes 3 to 12. All the students participated enthusiastically. The Department also conducted an Assembly on "Pi Approximation Day". Students presented stories (Tape a Tale) to enhance their knowledge of Maths and its uses. Theme talk and dance all were centralized to the occasion and devoted to Mathematics. Several class-wise events like Fun with Pi and making beautiful Patterns with Pi were also organised. Pi rally was organized for the students of class IX to showcase their talent in creating Pi Mnemonics., Class X performed an experiment to explore that Pi is a unique ratio. The students of Class XI and XII added more excitement to the show by finding this transcendental Number in the veggies. It was indeed an exciting day.

TIGER DAY

"Tigers are one of a kind, so please keep them in mind."

International Tiger Day was celebrated on 29th July, to create awareness among the students about the importance of tigers in our ecosystem and the need for the conservation of these majestic cats. The students of Grade – III recited wonderful poems on the theme 'Save the Tiger'. They understood how small steps can be taken to preserve the habitat of these big cats thus minimizing the threats faced by them.

KARGIL DAY

"This nation will remain the land of the free only so long as it is the home of the brave."

The School celebrated Kargil Vijay Diwas on 26 July, 2022. The students of classes IX and IX organized a special assembly as a mark of respect for the soldiers who sacrificed their lives on this day. A theme talk describing the life history of Vikram Batra and his contributions to the victory of India over Pakistan was the highlight of the assembly. It was followed by a motivational song and a dance performance based on Patriotism.

INDEPENDENCE DAY CELEBRATION

“Freedom is never dear at any price. It is the breath of life.

What would a man not pay for living?”

The school celebrated the 75th Independence Day with gusto and patriotic fervour on 15th August 2022.

The theme of the programme was India – Vibrant, Strong and Supreme. Students of Delhi Public School and Somwati Devi Shiksha Kendra jointly presented a Hindi skit (Badal Denge Bharat). 'Fervour of Independence' was a dance presentation, a beautiful tribute to Rani Laxmi Bai. Idam Bharatam

DPS Rajpura, in association with AFS, Intercultural Exchange Programs India had organized an online All India fest- 'Idam Bharatam' for the students of classes I to XII on 9th and 10th August 2022.

This is my India – an initiative that was an endeavor to celebrate the rich and diverse culture of the country across all schools of India and abroad. Delhi Public School Kolar Road Bhopal participated in this online fest. All the students were awarded certificates for their commendable performances. Following are the details of participation-

Aahwaan - An Innovation Dance event- the theme for the dance program was folk and patriotic.

Pranjal Patel of class XI presented a solo dance performance on a Rajasthani folk song. A group dance was presented by 12 students of classes IX-XII on the theme- "Rani Laxmi Bai"

Role Play- Manav Anish Jose of class IX portrayed Chandra Shekhar Azad addressing the general public. Srishti Negi of IX played the part of Vijay Laxmi Pandit addressing the members of the constituent assembly. The students participated wholeheartedly and performed enthusiastically.

Show and Tell -(This is my India)- Aarohi Mishra of Class III participated with great zeal and vigor. She spoke about one of the national symbols of India – the Tiger. She told various facts about this ferocious animal in her live performance. She also spoke about how we can save tigers from being extinct. Aarohi Saini of Class II took center stage and spoke on the topic "India-My Pride". She described the objects and inventions with a lot of confidence, facial expressions, and voice modulation. Overall, the show was a spectacular learning experience.

Mile Sur Hamara- A group song competition- The students presented a Punjabi song-'Ek baag de phull asihaan.....ek arash de tare'. The song depicts that we the children of India are different flowers of a single garden, stars of one sky. As the aroma of the flower radiates all around and stars twinkle in the sky, similarly we the youth of tomorrow will shine all around and take our country from darkness to light. The students presented the song with full zeal and enthusiasm which was well appreciated by the online audience.

Recitation from Scriptures - Anvi Kandpal of Class V recited scriptures from Hanuman Chalisa and Vivaswan Shubhangam presented scriptures from Shrimad Bhagwad Gita.

"Artopia"

- Let your imagination run,
and your creativity fly!

Costume Designing -
Students from classes 9th to
12th actively participated and
enjoyed the Costume
Designing Competition.
Everyone designed beautiful
and unique costumes to
express their creativity. This
competition turned out to be
glorious.

Mandana Painting - Mandana
paintings are wall and floor
paintings drawn to protect
home and hearth, welcome
gods into the house and as a
mark of celebrations on
festive occasions. The
competition made students
aware about various
traditions and cultures. It
inculcated a flair for Indian art
form among students.

Congratulations!
