VOICE OF LEADERSHIP

From The Leadership Desk

Dr. Mukta Sharma
Principal

*"Education is not merely the acquisition of knowledge;
it is the awakening of wisdom, character, and compassion."*

Dear Parents, Students, and Well-Wishers,

It is with immense pleasure and renewed optimism that we welcome you to a journey replete with opportunities for intellectual exploration, personal transformation, and holistic development.

Every new beginning offers us a chance to reflect, reimagine, and recommit ourselves to the pursuit of excellence.

The renowned Greek philosopher Heraclitus profoundly remarked, "No man ever steps into the same river twice, for it is not the same river and he is not the same man." This timeless philosophy beautifully encapsulates the inevitability of change. Change is the cornerstone of progress, the catalyst for innovation, and the very essence of life. As our learners evolve with every experience, so too must our educational practices, enabling them to flourish in an increasingly dynamic and interconnected world.

In an era characterized by unprecedented technological advancement and global interconnectedness, education must transcend the boundaries of textbooks and examinations. It must cultivate inquisitive minds, compassionate hearts, ethical values, emotional resilience, and an unwavering commitment to lifelong learning.

I believe that education is a collaborative endeavour.

A school serves as an extension of the family, while the family remains a child's first and most influential learning environment. When educators inspire intellectual curiosity and equip learners with critical thinking, creativity, and problem-solving skills, parents nurture confidence, discipline, compassion, and moral conviction. This harmonious partnership creates a nurturing ecosystem where every child is empowered to realize their fullest potential.

Let us encourage our children to embrace curiosity, celebrate diversity, persevere through adversity, and approach every endeavour with optimism, courage, and determination.

We take immense pride in our enduring ethos, progressive vision, accomplished faculty, and vibrant learning community. The unwavering dedication of our educators, coupled with the steadfast support of our parents, forms the foundation upon which our students' success is built. We warmly invite you to continue this invaluable partnership as we work collectively to inspire every learner to dream fearlessly, strive relentlessly, and achieve purposefully.

Let us always remember:

- Life is a precious gift, rich with purpose and infinite possibilities.
- Cherish every moment, embrace every challenge, and learn from every experience.
- You have been entrusted with unique talents and extraordinary potential.
- Live with integrity, love with compassion, and learn with unwavering curiosity.
- The world awaits your ideas, your kindness, and your contributions..
- For there are dreams only you can realize and lives only you can inspire.

As we commence this voyage together, let us aspire to create a culture where knowledge illuminates minds, values shape character, innovation drives progress, and compassion enriches humanity.

Together, let us continue to learn, lead, and inspire.

With warm regards and best wishes,

Principal
Delhi Public School, Kolar Road

VOICES OF LEADERSHIP

Guidance That Empowers

Dear Parents, Teachers, and Beloved Students,

Welcome to a vibrant new academic year—a journey defined not merely by the acquisition of knowledge, but by the shaping of character, curiosity, and purpose. True education extends far beyond textbooks and report cards. It is the art of learning how to learn, paired with the wisdom to contribute meaningfully to the world around us. Within these walls, we strive to cultivate discipline, resilience, and an enduring passion for discovery.

Our school bulletin, 'E Buzz', stands as a proud mirror of this ethos. Its pages showcase the remarkable academic and co-curricular achievements that form the cornerstone of DPS Kolar Road. Yet, beneath every victory, our highest goal remains unchanged: to nurture confident, empathetic, and responsible citizens. True success naturally follows dedication, but our ultimate ambition is to raise individuals of real value—to their families, their community, and our nation.

As you turn these pages, join us in celebrating the creative spirit, dedication, and achievements of our proud DPSites.

Happy Reading!

Warm regards,

Anuradha Telang
Vice Principal
Delhi Public School, Kolar Road

"The purpose of life to live with purpose—to grow, to serve, and to make a meaningful difference in the world."

Education is not merely a journey towards academic achievement; it is a transformative process that shapes the mind, strengthens character, and awakens the conscience. Its true purpose lies in nurturing individuals who possess the wisdom to think, the courage to act, the determination to persevere, and the empathy to understand and uplift others.

In a world that is constantly changing, knowledge must be accompanied by values. Empathy teaches us to look beyond ourselves, to respect diverse perspectives, and to extend a helping hand to those in need. Determination inspires us to rise above challenges and continue striving even when the path is difficult. Courage gives us the strength to stand for what is right, to speak with honesty, and to uphold truth and justice—even when doing so may not be easy.

At DPS Kolar Road, we endeavour to create an environment where every learner is encouraged to discover their unique potential, pursue excellence with humility, and grow into a confident, compassionate, and responsible individual. We believe that success is not measured only by personal accomplishments, but also by the positive difference one makes in the lives of others.

"Let knowledge enlighten the mind, empathy enrich the heart, courage uphold what is right, and determination inspire us to contribute meaningfully towards a stronger nation."

I Am Gonna Cherish It

A building which is too heavy to
see
When you part your ways you
too will know
how it feels
The hallways filled with loud
chatters
The class filled with little things
that matter
Voices blurred into one
Doing it all for fun
The desks we have carved our
names upon,
The friendships made and days
long gone,
We never think about the end,
Too busy laughing with a friend.
But maybe that's what makes it
dear,
We'll miss these days when
we're not here.
But I hope I look back with a
smile
Even when I am away miles
Maybe school is more than
these walls,
It's where we learn, we laugh,
we grow.
And wherever life may take us,
A part of school will always go
with us.

Still waiting

In the midst of everything
I lie
Patient, silent, knowing all
Yet not knowing why
The soul within me sighs
For all the scopes it
stretched beyond
Or all the wishes it carried
along
It thirsts the holy drop of
pray
Unheard, unanswered,
never repaid
Perhaps it is a play along
Or all the mysteries within
me unsolved
Still the heart aches
For not going that mile
away
Though it rightfully knows
The directions, the paths,
the ways
But still waits for something
else to crave...

WHEN THE BOOTS KEEP GOING.

They say enthusiasm is passion, a fire, a
flame,
Forgetting how fire survives as coal,
burning invisibly inside.

Worn boots resting beside shining
stilettos.

Which one carries enthusiasm?
The stilettos, the obvious: They gleam,
they announce.
But where did the boots walk? or how far?

The Indian soldier is easy to recognize:
uniform, medals, a map pinned to his
back.

The Indian citizen is harder.
Standing. In queues. In offices where
hope is filed and misplaced.
Still showing up each morning carrying the
same country
That loves testing how much weight a
spine can bear.

He repairs what the country forgets to
notice.

Moving the country an inch forward
when it keeps pulling him two inches back.

The citizen becomes the soldier,
The day he stops expecting applause.
He marches in his worn boots,
In spite of inflation, indifference, injustice,
insolence,

In his indignation incubated in an
intentionally inaudible interior.

Just a long walk through with his own
enthusiasm festered.

Is he happy? Is he screaming?
He is silent, waiting, hoping, trying.
Moving, when all rest.

मेरे ख्वाब

जब सच मेरा हर ख्वाब होगा,
सफलता का मंज़र बेहद लाजवाब होगा।
खो जाएंगे सारे राम के अंधेरे,
मेहनत का चमकता नया आफताब होगा।

रातें जो जागी हैं बंद कमरों में,
उन जागती रातों का हिसाब होगा।
मेरा जीत जाना ही दुनिया के,
हर एक कड़वे ताने का जवाब होगा।

थमेगी न राहें अब तूफानों से भी,
मुश्किलों का अंत खुद मेरा इंकलाब होगा।
मंज़िल पुकारेगी नाम मेरा झुककर,
जब सच मेरा हर ख्वाब होगा।

स्क्रीन के उस पार

एक छोटी-सी स्क्रीन में,
जग सारा सिमट गया।
ज्ञान के अनगिन दीप जले,
पर मन कहीं भटक गया।
उँगलियों की तेज़ रफ़्तार में,
बातें तो बहुत हुईं।
पर अपनों संग बैठने की,
घड़ियाँ जाने कहाँ गईं।
शब्दों की कीमत घटने लगी,
भावों का स्वर मौन हुआ।
हँसते चेहरों की भीड़ मिली,
पर भीतर मन कौन हुआ?
हर पल नई जानकारी है,
हर क्षण नया संसार।
पर सच्चे रिश्तों की खुशबू,
नहीं मिलती हर बार।

सोशल मीडिया शक्ति भी है,
यदि समझदारी साथ रहे।
सीखें, सिखाएँ, आगे बढ़ें,
हर दिन कुछ नई बात कहे।

तकनीक सचमुच वरदान बने,
जब विवेक उसका साथी हो।
मोबाइल हाथों में रहे भले,
पर दिल अपनों के पास ही हो।

चलो संतुलन हम सीखें ऐसा,
जिससे जीवन सुंदर हो।
डिजिटल दुनिया संग-संग अपनी,
मानवता भी भीतर हो।

हमारा बचपन है कहाँ?

हमारा बचपन है कहाँ?
भटकते हैं हम यहाँ-वहाँ,
दो साल की उम्र भेज़ दीया झूलाघर,
अब मम्मी-पापा कमाते हैं बराबर।

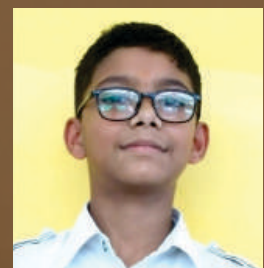

हमें नहीं मिलता प्यार भरपूर,
क्योंकि दादा-दादी का घर है बहुत दूर।
हम भी सुनना चाहते हैं दादी से लोरियाँ,
चाहें सुनना नानी से नई स्टोरियाँ।

हमें भी बड़ा सा मैदान चाहिए,
हाथों में छोटी सी गेंद चाहिए।
पड़ोस का घर भी हमारे जैसा हो,
रहें सुरक्षित हम, माहौल ऐसा हो।

हमें मोबाइल नहीं, बड़ों का समय
चाहिए,
खुली हवा में उड़ने को एक सुरक्षित
आसमान चाहिए।

हम मन की हर बात सुनाना चाहते हैं,
बड़ों से संस्कारों का उपहार चाहते हैं।
कोई थामे हाथ, कोई समझाए हमें,
गिरें अगर, तो कोई उठाए हमें।

हमें प्यार के साथ डाँट भी मिले,
लाड़ के साथ ताड़ भी मिले,
हमें दिनभर मोबाइल नहीं चाहिए,
हमें आपका साथ चाहिए,
क्योंकि बचपन स्क्रीन में नहीं,
खेल और रिश्तों में मुस्कुराता है।
